

REMARKS

In the present application a Notice of Drawing Inconsistency with Specification has been received.

In the Notice it has been stated that Figures 1 and 2 in the drawings were not listed in the Brief Description of the Drawings in the specification.

In connection herewith, applicants submitted an Amendment, in which the specification has been amended to list Figures 1 and 2 in the Brief Description of the Drawings in the specification.

It is therefore respectfully submitted that the drawing is now consistent with the specification.

Respectfully submitted,

Michael J. Striker
